**LOWRY COMPUTER PRODUCTS PARTNERS
WITH JLT MOBILE COMPUTERS**

CHICAGO, IL – May 18, 2005 At today's opening of the Distribution/Computer EXPO exhibits in Chicago, IL, Lowry Computer Products, Inc. announced that it has signed a partnership agreement with JLT Mobile Computers, Inc., whereby Lowry will serve as a Value Added Reseller (VAR) for JLT's rugged computers. Lowry Computer Products, headquartered in Brighton, MI, is a leading provider of complete RFID-EPC, wireless, bar code and data collection solutions, and JLT Mobile Computers, based in Chandler, AZ, is a leading provider of rugged, mobile hardware solutions.

"JLT Mobile Computers has quickly become a leading supplier of wireless, rugged computers for use in some of the most demanding environments imaginable," said Mike Lowry, President and CEO of Lowry. "JLT fills an important niche in Lowry's offering to industries such as warehousing and logistics, public safety, mining, construction, the military and government."

"We're pleased to have Lowry on board as a Star VAR in the JLT Partnership Program," said Todd Einck, CEO & Founder of JLT Mobile Computers, Inc. "With Lowry's depth of expertise in RFID technology integration and our focus on intelligent and rugged mobility, we can offer customers sophisticated field solutions that meet their needs from both a technology and design perspective."

Distribution/Computer Expo 2005, the largest logistics IT exhibition, encompasses all areas of the distribution/warehouse and transportation industries. This event enables attendees to evaluate IT systems and services to support any function within Supply Chain Management, RFID, Distribution, WMS, Transportation, Logistics or Warehousing Operations.

To learn more about solutions and products offered by Lowry Computer Products and JLT Mobile Computers visit Booth #1241 at the DC EXPO, located at the Navy Pier in Chicago. Exhibits are open from 9:00 a.m. to 5:00 p.m. on Wednesday, May 18th and from 9:00 a.m. to 3:00 p.m. on Thursday, May 19th.
